广场05 SQUARE

This image is a composite screenshot of a mobile application interface, likely for a university social media or activity platform. The interface is in Chinese and features a top navigation bar with tabs like '信息发布' (Information Release), '提交' (Submit), '社团留影' (Club Photo), '分享详情' (Share Details), '注册' (Register), '注册帐号' (Register Account), '找回密码' (Forgot Password), '选择学校' (Select School), 'T Life用户协议' (T Life User Agreement), and '团队详情' (Team Details).

The main content area includes several sections:

- 这一刻想法...**: A feed of user posts with photos and captions.
- 搜索团队**: A search interface for finding teams.
- 创建团队**: A form for creating a new team, including fields for team name, introduction, location, and tags.
- 活动名称**: A section for naming events.
- 确认订单**: A confirmation screen for an event registration.
- 支付成功**: A payment success screen showing a green checkmark and the amount 30元.
- 我的帖子**: A list of posts made by the user.
- 积分明细**: A history of points earned.
- 通知中心**: A central notifications hub.
- 筹赞助**: A section for fundraising.
- 团队排行**: A ranking of clubs.
- 广场动态**: A section for campus news.
- 社团之家**: A section for club life.
- 退出团队**: An option to leave a team.

The interface uses a light blue color scheme with white cards for each section. It includes various icons for user interaction, such as profile pictures, like counts, and share buttons. The overall design is clean and modern, typical of a mobile application for university students.

The image displays four screenshots of the Super Fit mobile application, showing various features:

- Login Screen:** Shows fields for "手机号码或邮箱账号" (Phone number or email account) and "密码" (Password), along with "登录" (Login) and "忘记密码?" (Forgot password?) buttons. It also includes a "第三方账号登录" (Log in with third-party account) section and a bottom navigation bar with icons for notifications, messages, and profile.
- Discover Screen:** Shows a news feed with a post about deep squats. The post includes a thumbnail of two women performing squats, and text: "你知道 / YOU KNOW 深蹲最重要的 是什么?". Below the post are sections for "精选动态" (Selected dynamics) and "精选视频" (Selected videos). The bottom navigation bar includes a "训练" (Training) icon.
- Training Plan Screen:** Shows a "减肥" (Weight loss) training plan. It features a video of a woman on a stationary bike, with text "慢跑20分钟" (Slow run for 20 minutes). The screen includes "视频模式" (Video mode) and "自动计时 00:00:06" (Automatic timer 00:00:06) buttons, and a large orange "下一步" (Next step) button at the bottom.
- Home Screen:** Shows a banner with a muscular torso and the text "好身材 no pain no gain 练出来" (Good physique, no pain no gain, practice it out). Below the banner are two circular buttons: one for "训练计划" (Training plan) with a star icon, and one for "训练教程" (Training tutorial) with a play icon. The bottom navigation bar includes a "发现" (Discover) icon.

庆中秋

For Flyme

四季轮流，时间滴溜溜的转，
转着转着，不经意就转到了一年一度的中秋节。
中秋节拾着夏的岁末，迎着秋的惬意潜然而至，
似时钟滴答、滴答、滴答、送走了夏的繁忙炙热，
迎来了秋的清新凉爽，也迎来中秋节。
